**Sub Submission of Details – Electoral Bonds --**  
**Your Letter No 76/Transparency/2017/PPEMS/Vo.II/274**

Dear Sir,

This is with reference to your above cited letter of May 21, 2019

The CPI(M) has not replied to the letter within the stipulated time since we have been consistently opposing the scheme of electoral bonds as a method of legalizing political corruption. Hence we had decided not to accept any such bonds.

Therefore, there is no question that arises of us submitting any details.

Yours truly
