perform the audit to obtain reasonable assurance about whether the financial statements are of material misstatements

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanation given to us, the aforesaid financial statements prepared on mercantile basis and without providing for depreciation on fixed assets give a true and fair view in conformity with applicable accounting principles generally accepted in India, of the state of affairs of the Party as at **31st March 2023**, its income and expenditure and cash flows for the year ended on that date.

Other Report

We did not audit the financial statements of the party's state and other units (if any) whose financial statements reflect total assets of **Rs 14 98 lakh** and net surplus of **Rs 14 62 Lakh** considered in the financial statements, audited by the other auditors whose report has been furnished to us by the Management. Our opinion on the financial statements, in so far as it relates to the amounts and disclosures included in respect of these state and other units financial statements are based solely on the report of the other auditors.

Our opinion on financial statements, and our report on other legal regulatory requirement below is not modified in respect of the above matters with respects to our reliance on the work done and the report of the other auditors.
