On behalf of our Anbu Udhayam Katchi, I would like to inform
you that we (the President, General Secretary, Treasurer, Vice-President,
Executives, members) have not received any money or material from
anyone in the country or abroad for any reason whatsoever

According to the Constitution of our Anbu Udhayam Katchi, we hereby

inform the Election Commission that we have never received any financial or material transactions from anyone, even for the running of the Katchi and for the election expenses of the pro-party candidates.

We had decided to take care of Anbu Volhayam Katchi's political field and electoral field ourselves on the basis of minimum expenses. We had also decided when to get very small quantities of finance from the General Public. During politics and elections, the maximum expenditure is the cause of corruption, fraud and bribery.

So we thought that it was at the individual moral levels that the essential costs would lead to good politics. So we were carrying politics like that.

We regret to inform the Election Commission of India that we have lost the opportunity to face the election as a candidate in the election field as there is no way to run Anbu Volhayam Katchi and hold political meetings freely in the country.

Treasurer of Anbu Volhayam Katchi Tmt. M. Prabakavathy passed away recently on November 3, 2023. On September 1, 2019, General-Secretary Thiru S. Mohan passed away. We regret to inform the Election Commission of India that now only the leader, party members and volunteers are left.

The Constitution of Anbu Volhayam Katchi, which was submitted to the Election Commission of India during the registration of the Anbu Volhayam Katchi states that the Anbu Volhayam Katchi politics will automatically come to an end after the death of the President leader. Something I explained in my Anbu Volhayam - Holy Book of Politics which was published by me at February, 2014.

If the Anbu Volhayam Katchi has any funds after the death of the party leader, how will it be handled? These details are given in the Constitution of Anbu Volhayam Katchi.

I would like to recall you that on behalf of the Anbu Volhayam Katchi, its constitution was submitted to the Election Commission of India on the hearing date of September 2013.

Since 2016, we have postponed the running of the Party as we have lost the opportunity to fully conduct politics and meet the elections properly. From 2019, we have also given up participating elections after that we avoided contesting as a candidate on behalf of Anbu Valluayam Katchi.

This is the rest of the democratic right that as a President of Anbu Valluayam Katchi, I live as a voter and unwilling to act. Now I would not like to explain here this matter further. On behalf of Anbu Valluayam Katchi, I have already informed about these matters to Election Commission of India in detail letter, dated August 2019.

A letter was received from the Tamil Nadu Public (Election) Department asking about the information received on behalf of the party based on the Electoral Bond. We received repeated reminder letters from the Tamil Nadu Public (Election) Dept, asking for details. Based on the Supreme Court order, the parties have been instructed to send the relevant information to the Tamil Nadu Public (Election) Dept, and to send a copy to the Election Commission of India.

Based on that, I feel that such reminders are being sent to the parties on the basis that the Election Commission of India has considered this to be an important detail and I am obliged to take this in detail before the Election Commission of India on the basis of being the leader of the Anbu Valluayam Katchi. I am presenting this now to the ECI.

I have conducted politics as the leader of Anbu Valluayam Katchi, faced elections, campaigned as a candidate in elections, met people, conducted public meetings and street meetings through

election propaganda, and I have brought before you what I have encountered here, but I am not pointing this out here as a complaint or a shortcoming I ~~think~~ think that here I will bring it only to their attention

Anbu Vohayam Katchi has not received Election Bond from anyone ^{up to} ~~date~~ date. On behalf of the Anbu Vohayam Katchi, I assure you that if we get anything from anyone in the future, we will submit the correct and proper details to the Election

Commission of India.

With sense sharing

FOR ANBU UDHAYAM KATCHI,

M. Yeshi Babu,

VICE PRESIDENT/TREASURER
